Premier Guarantee offers three separate periods of cover. Please note that not all Policies offer all sections of cover, for further details, please review your Certificate of Insurance, Policy or contact the Claims Department for clarification. The cover offered by Premier Guarantee in each period of insurance is summarised below:

INSOLVENCY OF THE DEVELOPER / BUILDER DURING THE BUILDING PERIOD

(this section of cover is only applicable if the property you are buying is incomplete)

Where this cover is in place, a policyholder will be reimbursed for any loss of deposit due to the developer not commencing work on a property due to insolvency or fraud. Alternatively, if the developer fails to complete a property for the same reasons, cover is in place to either ensure the property is completed to our technical standards, or to refund deposits paid by the policyholder.

If you would like to know whether this section of cover applies to your Policy, please refer to your Certificate of Insurance for more details, or contact the Claims Department.

If you would like to make a claim under this section of cover, complete Section 1 below only, remembering to sign the Declaration at the end of this document.

DEFECTS INSURANCE PERIOD (CONCILIATION SERVICE)

During this period of cover, it is your Developer's responsibility to arrange to repair, replace or rectify defects which occur in your property.

If your developer fails to carry out these repairs, or if you enter into a dispute regarding the completion of repairs, this Policy may be able to ensure this work is carried out. Not all of our Policies offer this cover, therefore, please refer to your Certificate of Insurance and Policy documentation for further information. You will also need to check the dates on your Certificate of Insurance to determine whether you are entitled to claim against this section of cover.

If you would like to make a claim under this section of cover, complete Sections 2 and 3 below, remembering to sign the Declaration at the end of this document.

STRUCTURAL INSURANCE PERIOD

This section of cover provides you with protection against damage or loss which has been caused by a failure of the Structure of your property. Please refer to your Policy document, in particular the definitions of Major Damage, Housing Unit and Structure for further information. Alternatively, please contact the Claims Department for further information.

You will also need to check the dates on your Certificate of Insurance to determine whether you are entitled to claim against this section of cover.

If you would like to make a claim under this section of cover, complete Section 3 below only, remembering to sign the Declaration at the end of this document.
