**NAME:** Pete Duffy, C.Build E MCABE  
**JOB TITLE:** Auditing Consistency and Compliance Manager

## WHAT DOES YOUR ROLE INVOLVE?

Leading the Building Control auditing team, undertaking reviews of current and past projects to comply with Construction Industry Council Approved Inspectors Register (CICAIR) regulations.

## HOW LONG HAVE YOU BEEN IN BUILDING CONTROL?

More than 20 years and I started with Premier Guarantee in December 2020.

## DESCRIBE YOUR LIFE BEFORE WORKING IN BUILDING CONTROL

I started my construction career as a City and Guilds of London apprentice. I moved into site management, then to project management until I became a contracts manager.

## WHAT INTERESTS YOU OR EXCITES YOU THE MOST ABOUT YOUR JOB?

Interaction with other professionals, seeing new design and material concepts, working with change and improving our environment, and the satisfaction you are building a positive legacy for the future.

## WHAT ONE PIECE OF ADVICE WOULD YOU GIVE TO CUSTOMERS ABOUT THE NEXT 12 MONTHS?

Talk to the people you work with, treat them with respect and transparency, and please respond to requests in good time. Our job is not to get in the way but help you progress.

## DESCRIBE A PROJECT YOU HAVE WORKED ON WITH PG THAT INSPIRED YOU?

How we better manage our clients' data is important for us and our clients. Sometimes it is a simple mind-set change but it is inspiring to see people listen and invest time into something you are trying to do. It shows communication and teamwork is alive and kicking.

## WHY DID THIS INSPIRE YOU PERSONALLY?

I have been made to feel involved personally in a lot of the changes within Building Control. Seeing the results coming to fruition is a massive personal inspiration.

## WHAT KIND OF PROJECTS WOULD YOU LOVE TO WORK ON NOW AND IN THE FUTURE?

I would like the team to work on many more commercial, industrial and public sector health projects to broaden our knowledge base and reputation.
