

“ Premier Guarantee were instrumental in providing additional confidence to our customers in the quality we have demonstrated with our latest luxury development by providing a recognised and respected guarantee. Winning the Quality Recognition Award means that not only do our customers have confidence in our homes but Premier Guarantee also recognise and endorse our quality. ”

Chardale Country Homes

“ We are delighted to be receiving a Premier Guarantee Quality Recognition Award for our collective hard work at Tottenham Hale. ”

Richard Tisdell - Project Director, Wates

“ We currently use Premier Guarantee on all our developments and receive a first class service from all disciplines throughout the group. This is the third award we have won in three years and we are pleased that our aim to set high standards and produce a quality product for all our customers is being recognised. ”

Gary Coils - Construction Director, Amethyst Homes

OUR AWARDS

We understand your reputation for building high quality homes that keep your homeowners and tenants happy is important to you, which is why winning either our monthly or annual awards can help you to build your brand and build trust with customers and home buyers.

At Premier Guarantee, we strive to work alongside developers and builders to raise the quality of construction. Our awards programmes are our way of giving back to developers and builders who are consistently producing high quality new homes. Our Excellence Awards programme is made up of two different stages: Quality Recognition Awards and The Excellence Awards, which recognise the best developments, construction practises and workmanship each month throughout the year, culminating in an annual event.

NOMINATION PROCESS

The Excellence Awards: Quality Recognition Awards (QRAs) recognise developers every month who consistently deliver quality workmanship and site management.

- 1** QRA winners are announced monthly from January-December and are presented with a certificate on site.
- 2** All winning sites for that year are shortlisted for the annual Excellence Awards.
- 3** Winning sites for each category are then chosen from the shortlisted sites and announced the following year. They will be presented with the prestigious Excellence Awards trophy.

How is a site scored?

Scores obtained during every inspection visit are based on the following categories:

- Standard of site management*
- Standard of workmanship (across different construction stages)*
- Health and safety
- Site tidiness
- General cooperation

*The 'Standard of Site Management' and 'Standard of Workmanship' categories are weighted more heavily – scoring higher in these areas will have greater impact on your average site inspection rating.

How do I nominate my site?

Put simply – you don't.

Sites are nominated based on a scoring system. Your Premier Guarantee Risk Management Surveyor will score your site during inspection visits. Site scores are then verified by our judges.

Sites that achieve a consistently high average score over a six month period are nominated for a Quality Recognition Award. Site scores are then verified by our judges.
